Impressive property dating back to the XIV century with sea views in **Calas de Mallorca**, Manacor, on the east coast of Majorca. This **fortified mansion house** comprises a combination of two story buildings around a large central courtyard.

This fantastic property is located near to the sea due to its original function as a watchtower and a defence point against pirates.

The property offers a total of 3,000 sq.m of buildings, including a very original chapel, all of which could be refurbished to make this into a luxurious private residence or **a large hotel**.

The property has its own water supply from a well and electricity.
